No motion at this time.

Supervisor's Report. B.D. Hawkins and D. Franek reported that the LRIP 2024-2025 project had a request of an engineer report, and we have that turned in and are waiting for an approval. The tree trimming is completed all trimming are the property owner's responsibility to clean up. Sign placement will take place this spring, stop ahead signs and arrow signs for T intersections. Will be getting diggers hotline out to mark lines. Townline and Barns Road culvert has is fixed and the cost will be split with the county. We will be reviewing Wisconsin Trail for the road edge repair and roundabout.

Public Comments. An email from Zepzoso<firzepar@gmail.com> had concerns about unpermitted construction on AE Floodway on parcels 29014: 0599, 0600, 0637. No building permits are listed are town approval required and does the building inspector conduct inspections. B. D. Hawkins reviewed this and for foundation work the town doesn't require permits, the inspector would inspect if electrical permits are needed. Mark Hadac asked about the campground limits, and we follow the state regulations at this time and no limits are set.
